Inline corrections

History (expand)

Both preserved lease/ledger URLs lead to the same financial reading surface.

Labels and patterns carry meaning in grayscale; production colors remain full-color.

2. Set up starting account records

Approved amount colors | Proposed task flows | Synthetic figures

Desktop structure

Alder Court / Studio A / Alex Example

Choose one setup method

1. Choose: Full history / Starting balance

Do not display both methods' inputs together.

2. Starting balance: $200.00 owed

Balance as of Oct 1; charges begin Oct 1. Source: old records.

3. Review the resulting account

One starting charge; no newly received payment.

Confirm starting records

No calculation of implied prior receipts in this proposal.

Choose a method

Full history

Starting balance

Continue

Back / Cancel

Only relevant fields

appear in step 2.

Historical setup is not new cash; the separate receipt calculator stays out of scope.

Labels and patterns carry meaning in grayscale; production colors remain full-color.

3. Record a payment

Approved amount colors | Proposed task flows | Synthetic figures

Desktop structure

Alder Court / Studio A / Alex Example

Record payment received

Amount: $500.00

Received on Oct 20, 2026. Method: Check.

Reference (optional)

Check number or source reference; no bank credentials.

Or record an expected payment

Expected on date; no received label or balance reduction.

Record $500.00 payment

Records an outside payment. Does not move money.

Phone structure

Record payment

Amount: $500.00

Received on

Oct 20, 2026

Method: Check

Reference (optional)

Record payment

Cancel

Expected instead?

Separate state label

Received amounts green; expected payments black. Neither is bank-reconciled proof.

Labels and patterns carry meaning in grayscale; production colors remain full-color.

4. Correct a charge

Approved amount colors | Proposed task flows | Synthetic figures

Desktop structure

Alder Court / Studio A / Alex Example

Reduce this charge

Current charge: $100.00

Original $120.00 less earlier $20.00 correction.

Reduce by: $10.00

Change amount, not replacement total. Reason required.

After this correction: $90.00

No refund or cash transfer. Original entries remain.

Review, then confirm reduction

Quick-fill only changes input; never silently submits.

Phone structure

Back / Cancel

Original stays visible

Keep corrections inline under their original charge; do not replace stored history.

Labels and patterns carry meaning in grayscale; production colors remain full-color.

5. Allocate a property bill

Approved amount colors | Proposed task flows | Synthetic figures

Desktop structure

Alder Court / Studio A / Alex Example

Electricity: $237.00 / 3 months

Monthly amount to allocate: $79.00

Compact ring + matching text; preserve unit colors.

Studio A: $55.00 / 69.62%

Studio B: $24.00 / 30.38%, calculated remainder.

Assign remaining monthly amount to Studio B

Allocation only. A vacant unit stays funded by RHP.

Review and save allocations

No tenant charges added. Bill payment is not recorded.

Phone structure
